KENTUCKY CAMPUS COMPACT AND PURPOSEFUL NETWORKS PARTNER TO RECOGNIZE EXCELLENCE IN SERVICE.

Highland Heights, KY and Cincinnati, OH, May 24 2016. Both Kentucky Campus Compact and Purposeful Networks are excited to honor Autumn Bishop of Lindsey Wilson College with a Spring 2016 Student Service Award for her demonstrated leadership and commitment to serving others. The Student Service Awards were designed to recognize excellence, leadership and impactful commitment through volunteerism on college campuses. Students showcased their service, involvement and activism on Purposeful Networks' InnerView™ platform to be considered for an award.

“In our work to promote and foster civic and community engagement across Kentucky colleges and universities, we have the opportunity to connect with so many passionate students committed to improving the quality of community life,” said Gayle Hilleke, Executive Director, Kentucky Campus Compact. “Autumn Bishop truly shines as a positive example for her peers at Lindsey Wilson and students across the Commonwealth.”

Autumn is completing her first year at Lindsey Wilson College located in Columbia, Kentucky. She is a Bonner Scholar and devotes much of her time to helping children and families. She has completed over 430 hours of volunteer time in the past year, most of that time in a leadership role inspiring those who work alongside her.

Autumn speaks on her motivation to maintain an active role as volunteer: “Volunteering has been a vital role in my life since high school and continues to be in my college years. By

serving in a variety of volunteer roles, I am enabling myself to become more aware of my surroundings and the issues that generate the need for these services. I am on a mission to help my community while still discovering myself along the way.”

Autumn volunteers for organizations such as: The Center for Courageous Kids, The Keepers of the Coast, St. Francis House, St. Augustine Lighthouse & Maritime Museum, Family Resource Center and The National Multiple Sclerosis Society.

“Ms. Bishop has made significant impacts during her first year at Lindsey Wilson College; we’re excited to support her inspiring commitment to service,” added Kristine Sturgeon, President, Purposeful Networks.
